https://www.tensorflow.org/api_docs/python/tf/compat/v1/config/optimizer

Public API for tf._api.v2.config.optimizer namespace

Function Signatures

```
get_experimental_options(...)  
get_jit(...)  
set_experimental_options(...)  
set_jit(...)
```

Documentation

Public API for `tf._api.v2.config.optimizer` namespace

Functions

`get_experimental_options(...)`: Get experimental optimizer options.

`get_jit(...)`: Returns JIT compilation configuration for code inside `tf.function`.

`set_experimental_options(...)`: Set experimental optimizer options.

`set_jit(...)`: Configure JIT compilation. (deprecated argument values)
