https://www.tensorflow.org/api_docs/python/tf/compat/v1/get_collection_ref

Wrapper for Graph.get_collection_ref() using the default graph.

Function Signatures

```
Graph.get_collection_ref()  
tf.compat.v1.get_collection_ref( key ) -> list[Any]
```

Code Examples

```
tf.compat.v1.get_collection_ref(  
    key  
) -> list[Any]
```

```
tf.compat.v1.get_collection_ref(  
    key  
) -> list[Any]
```

Documentation

Wrapper for `Graph.get_collection_ref()` using the default graph.

See `tf.Graph.get_collection_ref`
for more details.

Returns

`## eager compatibility`

Collections are not supported when eager execution is enabled.
