https://www.tensorflow.org/api_docs/python/tf/compat/v1/saved_model/utils

Public API for `tf._api.v2.saved_model.utils` namespace

Function Signatures

```
build_tensor_info(...)  
get_tensor_from_tensor_info(...)
```

Documentation

Public API for `tf._api.v2.saved_model.utils` namespace

Functions

`build_tensor_info(...)`: Utility function to build `TensorInfo` proto from a `Tensor`.
(deprecated)

`get_tensor_from_tensor_info(...)`: Returns the `Tensor` or `CompositeTensor` described by a `TensorInfo` proto. (deprecated)
