https://www.tensorflow.org/api_docs/python/tf/compat/v1/data/experimental/map_and_batch_with_legacy_function

Fused implementation of map and batch. (deprecated)

Function Signatures

```
tf.compat.v1.data.experimental.map_and_batch_with_legacy_function(  
    map_func, batch_size, num_parallel_batches=None,  
    drop_remainder=False, num_parallel_calls=None )
```

Code Examples

```
tf.compat.v1.data.experimental.map_and_batch_with_legacy_function(  
    map_func,  
    batch_size,  
    num_parallel_batches=None,  
    drop_remainder=False,  
    num_parallel_calls=None  
)
```

```
tf.compat.v1.data.experimental.map_and_batch_with_legacy_function(  
    map_func,  
    batch_size,  
    num_parallel_batches=None,  
    drop_remainder=False,  
    num_parallel_calls=None  
)
```
