https://www.tensorflow.org/api_docs/python/tf/compat/v1/graph_util/must_run_on_cpu

*Returns True if the given node_def must run on CPU, otherwise False.
(deprecated)*

Function Signatures

```
tf.compat.v1.graph_util.must_run_on_cpu( node,  
pin_variables_on_cpu=False )
```

Code Examples

```
tf.compat.v1.graph_util.must_run_on_cpu(  
node, pin_variables_on_cpu=False  
)
```

```
tf.compat.v1.graph_util.must_run_on_cpu(  
node, pin_variables_on_cpu=False  
)
```

Documentation

Returns True if the given `node_def` must run on CPU, otherwise False.
