

# torch.cuda.get\_arch\_list#

[https://pytorch.org/docs/stable/generated/torch.cuda.get\\_arch\\_list.html#torch.cuda.get\\_arch\\_list](https://pytorch.org/docs/stable/generated/torch.cuda.get_arch_list.html#torch.cuda.get_arch_list)

## Description:

Return list CUDA architectures this library was compiled for.

## Function Signature

---

```
torch.cuda.get_arch_list()[source]#
```

Return type

## Returns:

list[str]

# Detailed Documentation

---

## Documentation

Return list CUDA architectures this library was compiled for.

Return list CUDA architectures this library was compiled for.
