

CUDAPluggableAllocator#

<https://pytorch.org/docs/stable/generated/torch.cuda.memory.CUDAPluggableAllocator.html>

Description:

CUDA memory allocator loaded from a so file.

Function Signature

```
class
torch.cuda.memory.CUDAPluggableAllocator(path_to_so_file,
alloc_fn_name, free_fn_name)[source]#
```

Detailed Documentation

Documentation

CUDA memory allocator loaded from a so file.

CUDA memory allocator loaded from a so file.
