

torch.cuda.memory.host_memory_stats_

https://pytorch.org/docs/stable/generated/torch.cuda.memory.host_memory_stats_

Description:

Return the result of `host_memory_stats()` as a nested dictionary.

Function Signature

```
torch.cuda.memory.host_memory_stats_as_nested_dict()  
[source]#
```

Return type

Returns:

`dict[str, Any]`

Detailed Documentation

Documentation

Return the result of `host_memory_stats()` as a nested dictionary.

Return the result of `host_memory_stats()` as a nested dictionary.
