

torch.cuda.set_rng_state_all#

https://pytorch.org/docs/stable/generated/torch.cuda.set_rng_state_all.html

Description:

Set the random number generator state of all devices. `new_states` (Iterable of `torch.ByteTensor`) – The desired state for each device.

Function Signature

```
torch.cuda.set_rng_state_all(new_states)[source]#
```

Parameters

Detailed Documentation

Documentation

Set the random number generator state of all devices.

`new_states` (Iterable of `torch.ByteTensor`) – The desired state for each device.

Set the random number generator state of all devices.

`new_states` (Iterable of `torch.ByteTensor`) – The desired state for each device.
