

torch.cuda.utilization#

<https://pytorch.org/docs/stable/generated/torch.cuda.utilization.html>

Description:

Return the percent of time over the past sample period during which one or more kernels was executing on the GPU as given by nvidia-smi. device (torch.device or int, optional) – selected device. Returns statistic for the current device, given by current_device(), if device is None (default). Warning: Each sample period may be between 1 second and 1/6 second, depending on the product being queried.

Function Signature

```
torch.cuda.utilization(device=None)[source]#
```

Parameters

Return type

Returns:

int

Detailed Documentation

Documentation

Return the percent of time over the past sample period during which one or more kernels was executing on the GPU as given by `nvidia-smi`.

`device` (`torch.device` or `int`, optional) – selected device. Returns statistic for the current device, given by `current_device()`, if device is `None` (default).

Warning: Each sample period may be between 1 second and 1/6 second, depending on the product being queried.
