

torch.nn.functional.alpha_dropout#

https://pytorch.org/docs/stable/generated/torch.nn.functional.alpha_dropout.

Description:

Apply alpha dropout to the input. See AlphaDropout for details.

Function Signature

```
torch.nn.functional.alpha_dropout(input, p=0.5,  
training=False, inplace=False)[source]#
```

Return type

Returns:

Tensor

Detailed Documentation

Documentation

Apply alpha dropout to the input.

See AlphaDropout for details.

Apply alpha dropout to the input.

See AlphaDropout for details.
