

torch.nn.functional.elu#

<https://pytorch.org/docs/stable/generated/torch.nn.functional.elu.html>

Description:

Apply the Exponential Linear Unit (ELU) function element-wise. See ELU for more details.

Function Signature

```
torch.nn.functional.elu(input, alpha=1.0, inplace=False)  
[source]#
```

Return type

Returns:

Tensor

Detailed Documentation

Documentation

Apply the Exponential Linear Unit (ELU) function element-wise.

See [ELU](#) for more details.

Apply the Exponential Linear Unit (ELU) function element-wise.

See [ELU](#) for more details.
