

# torch.nn.functional.rrelu#

<https://pytorch.org/docs/stable/generated/torch.nn.functional.rrelu.html>

## Description:

Randomized leaky ReLU. See RReLU for more details.

## Function Signature

---

```
torch.nn.functional.rrelu(input, lower=1. / 8, upper=1. / 3,  
training=False, inplace=False) → Tensor[source]#
```

Return type

## Returns:

Tensor
