

torch._foreach_reciprocal#

https://pytorch.org/docs/stable/generated/torch._foreach_reciprocal.html#torch._foreach_reciprocal

Description:

Apply `torch.reciprocal()` to each Tensor of the input list.

Function Signature

```
torch._foreach_reciprocal(self: List[Tensor]) →  
List[Tensor]
```

Detailed Documentation

Documentation

Apply `torch.reciprocal()` to each Tensor of the input list.

Apply `torch.reciprocal()` to each Tensor of the input list.
