

default_per_channel_qconfig#

https://pytorch.org/docs/stable/generated/torch.ao.quantization.qconfig.default_per_channel_qconfig.html

Description:

Default qconfig configuration for per channel weight quantization.

Function Signature

```
torch.ao.quantization.qconfig.default_per_channel_qconfig#
```

Detailed Documentation

Documentation

Default qconfig configuration for per channel weight quantization.

Default qconfig configuration for per channel weight quantization.
