

torch.are_deterministic_algorithms_enabled

https://pytorch.org/docs/stable/generated/torch.are_deterministic_algorithms_enabled

Description:

Returns True if the global deterministic flag is turned on. Refer to `torch.use_deterministic_algorithms()` documentation for more details.

Function Signature

```
torch.are_deterministic_algorithms_enabled()[source]#
```

Return type

Returns:

bool

Detailed Documentation

Documentation

Returns True if the global deterministic flag is turned on. Refer to `torch.use_deterministic_algorithms()` documentation for more details.

Returns True if the global deterministic flag is turned on. Refer to `torch.use_deterministic_algorithms()` documentation for more details.
