

ConvertIntKey#

[https://pytorch.org/docs/stable/generated/torch.fx.experimental.symbolic_shapes](https://pytorch.org/docs/stable/generated/torch.fx.experimental.symbolic_shapes.ConvertIntKey#)

Description:

Get the int value from bool

Function Signature

```
class
torch.fx.experimental.symbolic_shapes.ConvertIntKey[source]#
get(b)[source]#
Return type
```

Returns:

IntLikeType

Detailed Documentation

Documentation

Get the int value from bool

Get the int value from bool
