

torch.fx.experimental.symbolic_shapes.c

https://pytorch.org/docs/stable/generated/torch.fx.experimental.symbolic_shapes

Description:

Given two SymInts, constrain them so that they must be equal. NB: this will not work with SymInts that represent nontrivial expressions (yet!)

Function Signature

```
torch.fx.experimental.symbolic_shapes.constrain_unify(a, b)  
[source]#
```

Detailed Documentation

Documentation
