

torch.is_deterministic_algorithms_warn_

https://pytorch.org/docs/stable/generated/torch.is_deterministic_algorithms_warn_only_enabled.html

Description:

Returns True if the global deterministic flag is set to warn only. Refer to `torch.use_deterministic_algorithms()` documentation for more details.

Function Signature

```
torch.is_deterministic_algorithms_warn_only_enabled()  
[source]#
```

Return type

Returns:

bool

Detailed Documentation

Documentation

Returns True if the global deterministic flag is set to warn only. Refer to `torch.use_deterministic_algorithms()` documentation for more details.

Returns True if the global deterministic flag is set to warn only. Refer to `torch.use_deterministic_algorithms()` documentation for more details.
