

# torch.matrix\_power#

[https://pytorch.org/docs/stable/generated/torch.matrix\\_power.html](https://pytorch.org/docs/stable/generated/torch.matrix_power.html)

## Description:

Alias for torch.linalg.matrix\_power()

## Function Signature

---

```
torch.matrix_power(input, n, *, out=None) → Tensor#
```

## Detailed Documentation

---

### Documentation

Alias for torch.linalg.matrix\_power()

Alias for torch.linalg.matrix\_power()
